Forecast For East of England
Issued by Met Office Exeter
at 1600 on Sunday 07 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Snow, heavy in east. Bitterly cold winds, coastal gales.

This Evening and Tonight:
Snow, heavy at times, will continue with fresh disruptive accumulations and ongoing drifting. Becoming icy on untreated surfaces as a widespread hard frost sets in. Feeling bitterly cold in strong easterly winds, gales on coasts. Minimum temperature -4 deg C (25 deg F).

Monday:
Snow will become more showery, with further accumulations and drifting. Strong easterly winds, with coastal gales at first. Feeling bitterly cold. Daytime temperatures near freezing, hard, severe frost overnight. Maximum temperature 2 deg C (36 deg F).

Outlook for Tuesday to Thursday:
Wintry showers will continue, leading to further snow accumulations and icy stretches. Remaining bitterly cold in fresh or strong winds. Some winter sunshine between showers. Hard or severe overnight frosts.
